Minimum Term

iiNet Mobile Services are supplied on a rolling month to month basis. You can cancel the Service at any time by notifying us at least 7 days before your next month's charges are due. Subject to your consumer law rights, you will not receive a refund for any charges paid in advance. The unused balance of any Prepaid Balance for usage that is not within the Included Value for your plan will not be refunded to you but will be retained by iiNet Limited.

Bundling Arrangements & Mandatory Goods

You do not have to bundle this Service with any other iiNet plan. You do not need to purchase handsets or other equipment from iiNet.

However, you must have a compatible mobile handset to be able to use this service.

Excluded Usage

The **Large Plan** excludes Excess Data, Calls to International Numbers, SMS and MMS to International Numbers, Calls to Satellite phones, Third Party content, Video Calls to Standard Australian and International Numbers, International Roaming, Directory Assistance and other Enhanced Services. Other Information

Usage Information

You can monitor your iiNet Mobile usage by logging into Toolbox online at toolbox.iiNet.net.au

International Roaming

While roaming, calls, SMS, MMS and data usage will be charged to your Prepaid Balance (if available) on a “pay as you go” basis at significantly higher rates than in Australia. You can find the list of Eligible Countries and Roaming Rates at iiNet.net.au/mobile/introaming.

International roaming is automatically activated on this plan. You can deactivate it by logging in to Toolbox online at toolbox.iiNet.net.au or by calling 13 22 58. Charges for using International Roaming are not part of your plan’s Monthly Included Value. We highly recommend that you disable Mobile Data in your device settings to ensure that you do not incur unexpected and high data usage fees whilst roaming. It may take up to 48 hours for international roaming usage to be shown in Toolbox.
